ANNA E. MORSE TO LEAVE WAYS FRIDAY

Eighth 9,400 Ton Steel Freighter Ready For Launching

TAKES PLACE AT 5 P. M.

Ship Named in Honor of Charles W. Morse, President of the Board of Directors of the Virginia Ship Corp.

The Anna E. Morse will be launched at the plant of the Virginia Shipbuilding Corporation Friday, April 2 at 5 o'clock in the afternoon. Invitations for the launching have just been issued by the Virginia Shipbuilding Corporation.

This will be the eighth 9,400 ton steel freighter to be launched at the company's yards since the company started operations in Alexandria.

The ship is named in honor of a daughter of Charles W. Morse, president of the United States Steamship Corporation and president of the board of directors of the Virginia Shipbuilding Corporation.

Immediately following the launching the invited guests will be tendered a buffet luncheon which will be served in the administration building.

In view of the fact that the launching this time will take place at 5 o'clock in the afternoon it is expected that a large crowd will witness the launching.

Mechanics are now busily engaged in the work of finishing up the Jennie B. Morse and work on this boat will be rapidly rushed to completion.

HUNGARIAN THRONE

Charles Hesitates in Acceptance Despite Admiral Horthy's Assurances

Geneva, March 27.—Admiral Horthy the regent of Hungary, has secretly but officially, offered the Hungarian throne to former Emperor Charles with the assurance that everything has been arranged for the return of the Hapsburg monarchy, and with the consent of the majority of the population, according to information from Prangins, where the ex-Emperor lives.

Admiral Horthy, it is declared, has invited the former ruler to come to Budapest as soon as possible, adding that the settlement with the Allies in connection with the move could best be arranged from the Hungarian capital.

The ex-Emperor, however, is said to be apparently hesitating as to his course, and has not left Prangins.

ITALY'S LABOR OUTLOOK

Cabinet Agrees Government Must Draw Lines on Workers' Demands

Rome, March 27.—The meeting of the cabinet Thursday was devoted largely to an analysis of the internal situation which was described as unusually grave.

After hearing statements by leading business men and land owners, the cabinet members agreed the government has done all it can for labor and that the time has come to draw a line against what were described as the "absurd demands" of the workers.

The government, it was agreed, must restore order and popular discipline.

In the Po Valley the situation was discussed as especially grave. Farm laborers there have been on strike for weeks, and red organizations were reported in control of several areas. Red organizations have invaded estates and after endeavoring to impose on land owners contracts which the proprietors said would regulate even the number of laborers employed to each acre of cultivated land.

The daylight saving law also has caused the government endless embarrassment.

FIGHT ON REDS URGED

Catholics Encouraged by Pope to Oppose Bolshevists and Labor Radicals

Rome, March 27.—The Catholic Church must use its influence to oppose Bolshevism and to maintain friendly relations between capital and labor, Pope Benedict declared in a letter made public yesterday. The letter, while addressed to the bishop of Pergamo, was intended to direct the activities of Catholic leaders throughout the world. It created a sensation throughout Italy, at it is the first time the Pope has taken a direct hand in the labor dispute.

He urged bishops and priests to participate actively in the labor movement with a view to moderating the demands of labor, regulating strikes and opposing Bolshevism.

The letter was considered a bitter reprimand to Catholic Deputy Miglioli, who, at the recent congress of Catholic labor unions in Bergamo, openly advocated Bolshevism. Pope Benedict warned that "it is not with the violence of direct action that the cause of truth and justice is served."

THIS MAY BE YOUR CHANCE

Did you ever notice the bunch of Marines who are doing duty down at the Torpedo Station? Have you noted the way they carry themselves and the care free air they have?

Well, why not? They are picked men from a Corps of picked men. They are getting all they can eat, a good place to sleep, all their clothes and medical attention and more money than 90 per cent of the civilians of their age can spend without slighting any of the necessities of life.

By the way, anyone who has a knowledge of laundry work can get a pretty good rating in the Marine Corps right now, providing they grab it right away according to Sergeant Bruce up at the Recruiting Station at 605 King street. He has just received authority to enlist men for that duty. There is a big demand for specialists in all lines of work at this time, and it looks like a good chance for any young man with a desire to see the world to get started on his globe trotting career with a good rating.

$2750 FOR LOSING SLEEP

Maryland Woman Wins Verdict Against Pennsylvania Railroad

Baltimore, Md., March 27.—Mrs. Donald L. Symington, of the Green Spring Valley, received a verdict of $2750 yesterday from a jury in a suit against Walker D. Hines, Federal Railroad Administrator, and the Pennsylvania Railroad Company Mrs. Symington asked for $25,000.

Mrs. Symington claimed that the ringing of a big bell, blowing of engine whistles and shifting of cars kept members of her family awake. Mrs. Symington also contended that a hedge on her property was destroyed and that a portion of her land was used by the company.

BAUER FORCED TO QUIT AS PREMIER

Foreign Minister Mueller Consents to Form New Cabinet

WESEL HOLDING OUT

Vorwaerts, Socialist Organ, Asserts Baltic Troops Plan New March on Berlin.

Berlin, March 27.—The Cabinet of Premier Bauer has resigned. Herman Mueller, the Foreign Minister, has been authorized by President Ebert to organize a new Cabinet.

Vorwaerts announces that in deference to the unanimous wish of the entire Social-Democrat party, Herr Mueller has consented to form a new Ministry.

The resignation of the Bauer Cabinet, it is said, was due to pressure from the Labor Federation, which has been extremely discontented with the Government's attitude since its return from Stuttgart. It is stated that labor will have a strong voice in the new Mueller Cabinet.

The Prussian Minister of Public Welfare, Adam Stegerwald, has announced that he will withdraw from office unless relations between Prussia and the empire, which he declares now are in a chaotic condition, are again placed on a proper working basis so that armed incursions, such as that of Gen. von Luttwitz, will not occur again.

Wesel, the besieged fortress north west of the Ruhr coal basin, was still holding out yesterday against the revolutionary workingmen, according to the Freiheit. The situation in the Ruhr industrial region gradually is clearing, the newspaper says.

The majority Socialist organ Vorwaerts charges that Pomerania and the northern Uckermark, north west of Stettin, are under the domination of the Iron Division (Baltic troops) and the League of Pomeranian landowners, who have mobilized the citizens' guard and use it for their own purposes. In Prenzlau, southwest of Stettin, they procured the murder of the local executive of the Independent Socialists, the newspaper declares.

According to statements made by its officers, Vorwaerts asserts, the Iron Division intends to march on Berlin.

ACCUSED TO SURRENDER

Man Charged With Embezzlement, He Has Eluded Officers

Danville, Va., March 27.—Roscoe Tuck, charged with the embezzlement of $45,000 of funds of the Citizens' Bank of Virginia, has written to James Easely, Commonwealth's Attorney of Halifax county, saying that he is prepared to surrender. The report that he would do so yesterday failed to materialize, but he is expected to be in custody of the court soon. The latter was mailed from Roanoke. Sheriff D. W. Rice, of Halifax, states that several letters have been received from the fugitive, one from Richmond another from Norfolk and still another from New York.

Sheriff Rice declares that the man owes his escape to the fact that the State line divides Virgilina, from which fact it derives its name. The day he went to Tuck's house to apprehend him the cashier, warned by friends, went out the back door, he says, and over the State line.

GIRL KILLED BY MAN

Houlton, Me., March 27.—Word was received here last night that Miss Phoebe Bell, eighteen, was shot and killed at Grand Falls, N. B., Thursday night. Clark is married and has one child, but has not been living murder. A guard has been stationed with his family recently.

Clark was arrested on a charge of at the hospital to which he was taken.

Large Crowd Present at Ruth Roycroft Display Last Evening

The little shop was packed to capacity during the evening, the many women who were in attendance remaining until the display was completed.

The models, the Misses Adelyn Apperson and Frances Ballenger, were especially chosen for the displaying of the garments and many comments were heard relative to the success of their efforts.

Music was furnished during the evening by an Edison Phonograph furnished for the occasion by the Edison Shop.

TAKEN AS "RIOTERS"

Four Labor Leaders Are Arrested When Police Scatter Crowd

Philadelphia, March 27.—Four New York labor leaders were arrested on charges of inciting to riot and 1,500 members of labor organizations were dispersed by the police with drawn clubs when they descended on a mass meeting in the Labor Lyceum Hall last night to protest against the action of the New York State Assembly in trying to unseat five Socialist Assemblymen from New York.

Among the four leaders was one of the five Socialist Assemblymen in question, Charles Solomon. The others under arrest are Joseph P. Cannon, a member of the executive board, mining department, American Federation of Labor, who is accused of inciting to riot and making seditious utterances against the United States government; Royal W. France, a New York attorney, and G. August Gerber.

COMMUNITY CENTER NOW IN NEW HOME

Formal Opening Will Take Place During Coming Week

HOLD DANCE TONIGHT

Two Large Rooms on First Floor Tendered American Woman's Legion—Summer Program of Activities

Alexandria's Community Service Center, now located at the corner of Prince and Duke Street, will be open sometime during the coming week with all activities in full blast. A group of the younger men of the city have been busy for the past week putting the building, formerly used at the Children's Home, into first class condition, and club rooms will soon be ready for the citizens of Alexandria, regardless of creed.

Tonight, the regular Community dance will be held at the new Center, dancing to start about 9 o'clock. As usual, the Community Orchestra will furnish the music.

Plans for the approaching summer of the Alexandria Community Service, of which Mrs. Percy Evans is president, call for many projects which are sure to appeal not only to the younger generation but to the older folks as well. The American Women's Legion has been tendered the use of the two large rooms on the first floor as club and rest rooms, while the American Legion will also be invited to hold its meeting at the new Community Center. It has been decided by the present committee to continue Community Service in Alexandria, and plans for a big program of summer activities will soon be in readiness.

A meeting of the executive committee has been called for Monday afternoon at 5 o'clock by Mrs. Percy Evans, at the Community Center. All members are requested to attend.

"OLD MAID" TAX URGED

Freeland, Pa., March 27.—J. B. Hanlon, Registrar of Vital Statistics, advocates a tax on men and women over 30 who remain unmarried. In his district the birthrate has dropped annually from 600 in 1906 to 420 in 1919, a decrease of 30 per cent, in thirteen years.

We wants the bachelors taxed $1 a month and feels the older women should pay their share also. He declares the single women are growing prone to short hair and shorter skirts, while they demand that the men folks start housekeeping with $200 rugs and $1000 pianos instead o fentering married life with rag carpets, a few chairs, a bed and a kitchen stove.

Norfolk, March 27.—The naval wireless station on Hampton Roads last night reported an unidentified steamer ashore on the middle ground shoals between Cape Henry and Cape Charles.

BRYAN FAVORS DRY PLANK

Commoner Would Make Liquor Issue as "Dead as Slavery"

Elmwood, Neb., March 27.—Adoption of a prohibition plank by the Democratic convention at San Francisco was favored by William Jennings Bryan in an address here yesterday opening his campaign for election, April 20, as delegate-at-large from Nebraska.

Mr. Bryan urged his hearers to help make the liquor issue "as dead as slavery, so that it will never be revived again."

He reiterated his recent statement that he was opposed to United States Senator G. M. Hitchcock as a Democratic Presidential candidate, and in this connection said the Senator had voted against submission of the Federal Prohibitory Amendment, despite the fact that Nebraska had adopted constitutional prohibition by a majority of 29,000.

Opposition to taking the Peace Treaty issue into the coming campaign was expressed by the speaker, who also declared he was against compulsory universal military training.

THE TAX RATE

The measures voted on in the Common Council as to the tax rate and collection of taxes on real and personal property fiscal year 1920-21 were as follows:

First—Mr. Baggett's amendment to the $2.50 ordinance which was voted down provided for a $2.80 rate. The ordinance of $2.50 from which the proceeds of fifty cents for school was to be set aside was also voted down, so there is no bill or ordinance before Council as to taxes 1920-21.

The suggestions of the finance committee and those who have generally arranged the affairs of the corporation each fiscal year having been rejected, of course it remains for some of the members of Council to initiate independent propositions as to the tax rate for next year. This might be done with the assistance of the Clerks of Council—two branches.

It might be well to remember that an interval of three (3) weeks is between Tuesday March 23rd and Tuesday April 13th, 1920.

As was stated in our locals Mr. Burke, Chairman of the Finance Committee and President of Common Council left the matter to those who had opposed the recommendation of the committee.

No bill or ordinance has been passed making the old rate of two (2) dollars the law. Nothing has been done.

BEWARE OF THE LAW

At this season of the year most housekeepers are endeavoring to clear away the accumulations of winter. While trash, rubbish, etc., from back yards are being carried away, branches and limbs from trees are also being consigned to the dump. In many cases parties entrusted with the duty of disposing of such debris are not of the careful or tidy genus, and in some cases instead of conveying unsightly loads to places prepared for the reception of the same, they dump the contents of their carts into a street. This is a common occurrence in certain sections of the city where the authorities are endeavoring to keep the thoroughfares open.

Two delinquents, one white and one colored, were brought before the Police Court at different times Thursday charged with casting rubbish into a street. They were fined $5 each.

It is unnecessary to say that all citizens should vie in keeping the city clean. But, unfortunately, some have but little regard for laws and when detected in violating them they are quick to call attention to the fact that others have also disregarded the statute.

The street department and members of the police force are endeavoring to identify persons who persist in violating our sanitary laws and when apprehended they will be made to pay the penalty.

THE CASE OF ADMIRAL SIMS.

The desperate attempt of Admiral Sims to prove that the American navy was inefficient during the course of the war has failed as miserably as his charge that the American army was compelled to grant an armistice to Germany, "because the communications of supply of the army had broken down." He has been refuted in almost every declaration he has made in either direction by equally expert authorities, and he is now forced into the position of the unfortunate critic of the war, whose attacks have left no impression upon the people of the country.

The Richmond Times-Dispatch calls attention to the fact that "for more than a year partisan committees of Congress have been investigating the victory over Germany. Hundreds of thousands of dollars have been expended by them in an effort to show that this country's participation in the conflict was a wretched exhibition of looseness, ineffectiveness, extravagance and incompetency. Those committees of ready, are practically forgotten. Their work has been ignored and the campaign issue they sought to set up has collapsed.

Admiral Sims sought to dynamite the present administration of the Navy Department by showing that the war honors had been improperly awarded. That effort convinced few people of anything except that the admiral's recommendations in behalf of the members of his own staff had not been followed.

"The whose case of Admiral Sims has fallen to pieces. In a few months he will retire, and in spite of his valuable services to his country, he probably will pass into obscurity as a false witness, who has forfeited the honors and the esteem in which most of his countrymen have held him."

MURDER BAFFLES POLICE

New York Detectives Hunt Man With Long Nose and Bloody Overcoat

New York, March, 27.—The mysterious murder of Dr. Vincent J. Campisi, Brooklyn physician, and an unidentified "patient" whose bodies were found Thursday night in a lodging house room still baffled the police tonight.

Detectives, however, are said to have found a clue, on the strength of which a general alarm has been sent out for a youth described as "22 years old, walks lame, apparently wounded has long nose and a blood stained overcoat."

Various theories have been advanced as motives for the crime, the latest being that the "patient" was strangled by a roommate after a quarrel, not knowing he had committed murder, hurried after the physician. When the doctor pronounced the "patient" dead, the police believe the man who brought Dr. Campisi to the house then stabbed him to death, hoping to make good his escape.

HUN MENACE

Paris, March 27.—Germany, in the event of mobilization can place an army of 3,400,000 men in the field, says Henry Bidou, well known French war correspondent, in a dispatch to Le Journal from Mayence.

He adds that Germany secretly has reinforced her once famous war machine, which in 1918 was virtually shattered.

Listless? Watch Out!

That Dull and "Always Tired" Feeling Usually Precedes Sickness—Invites it.

"Run Down" Means Weak Blood

Be Vigorous Happy, Alive! Take Pepto-Mangan, Famous Blood Builder

Remember hod dull, tired-out, and depressed you felt before that last serious illness you had?

Any doctor will tell you there's always danger when you get run down that's the time when disease germs get their chance. You admit you're not feeling just right, but forget it's probably because your blood is weak and watery. That kind of blood can't keep up the fight against ever-lurking germs. First thing you know, you're ill—seriously.

It's much more sensible—and safer—to keep feeling fine, to start taking a good tonic at once when you're let down and depressed.

Pepto-Mangan has been known for years among physicians as "the red blood builder," a standard remedy that agrees with the most sensitive stomach, and is convenient to take. Comes in either liquid or tablet form, equally effective.

For rich, vigorous blood—the kind that side-steps sickness and keeps you active and alert in every fiber—start taking Pepto-Mangan today.

At any druggist's. But be sure you get the genuine Pepto-Mangan—"Gude's." That name should be on the package. Ask for "Gude's" Pepto-Mangan.

KEPT HER AWAKE

The Terrible Pains in Back and Sides Cardui Gave Relief

Marksville, La.,—Mrs. Alice Johnson of this place writes: "For one year I suffered with an awful misery in my back and sides. My left side was hurting me all the time. The misery was something awful.

I could not do anything, not even sleep at night. It kept me awake most of the night. I took different medicines, but nothing did me any good or relieved me until I took Cardui.

I was not able to do any of my work for one year and I got worse all the time, was confined to my bed off and on. I got so bad with my back that when I stooped down I was not able to straighten up again. I decided I would try Cardui. By time I had taken the entire bottle I was feeling pretty good and could straighten up and my pains were nearly all gone.

I shal lalways praise Cardui. I continued taking it until I was strong and well." If you suffer from pains due to female complaints, Cardui may be just what you need. Thousands of women who once suffered in this way now praise Cardui for their present good health. Give it a trial.

That Ominous Sound

Simple sounds become fearful noises in the night-time. The creaking of a floor board — the crash of breaking glass — or the slam of a door jolts you out of deep sleep. Darkness magnifies the noise. You're at a loss to place it. You must investigate.

Reach for your Daylo as you hop out of bed. Its ready beam of strong light helps you to locate the cause of the noise quickly, and is a friendly protector while you're searching.

How Many Uses for DAYLO in the Home?

DOWN cellar, up in the attic, in the dark closet, in the pantry cupboard—everywhere about the house—a Daylo is needed to push its strong beam of light into dim corners.

Have a Daylo always handy—on the kitchen shelf, on the hall table, by your bedside—where you can reach it instantly. The more conveniently handy you keep it the more useful it will be.

This is DAYLO Battery Week

Get out your idle "flashlight" now. Bring your old battery or "flashlight" to us and let us give you the correct size new Eveready Tungsten Battery to put your light on the job.

VIRGINIA NEWS

Effective April 1, Virginia banks will go on the par list, according to announcement by the Federal Reserve Bank of Richmond. Virginia will make the third state in the district to take this step, leaving but two States to act. By going on the par list, banks will save their customers many thousands of dollars annually, it is stated. Checks drawn on banks in Virginia will be received by all Federal Reserve member banks for collection and credited at par, in accordance with published time schedules. North Carolina and South Carolina are the two States still outside the fold.

Within the next few days, Edward Russell Miller Co., Ltd., architects of Norfolk, are to be awarded to draw the plans for Market Street, Petersburg Methodist Church, which is to be one of the largest houses of worship in the South. The new church is to be erected at a cost of $250,000, and is to be complete in every respect, The preliminary plans provide for a classical, colonial structure of Kentucky limestone. The interior of the auditorium will be somewhat cathedral in appearance, the aisles being formed by a series of massive columns supporting arches. A large site was recently secured on Sycamore street for the erection of the edifice.

Enumeration of the veterans of the Confederate army and navy now living in Virginia will be made during the coming year by the commissioners of revenue of the several counties and cities, who will make return of their lists to the auditor of public accounts on or before the first of July, under the provisions of a bill passed by the general assembly. Lists of the veterans are required to be made at the time of receiving statements of property for taxation, and the returns will include a statement of whether the veteran has any property, or regular means of support. The purpose of the enumeration is to bring to the attention of the authorities worthy cases of Confederate veterans who have become in needy circumstances, and at the same time will enable the pension authorities to check their lists and strike from them the names of those owning property or have other sources of income.

Leaders of the railway clerks on the Norfolk and Western Railway, at Roanoke, who walked out last Monday because the railroad company refused to remove two nonunion employes, following charges by the clerks that the men had insulted a young woman employe, declared last night they intend to remain out until their grievances are adjusted.

Mrs. Mary Taggart, aged 72, widow of Robert Taggart, died yesterday morning in her home at Taggart's store, Charlottesville, the victim of a shooting accident. Robert Steger, a relative and neighbor of Mrs. Taggart, on his way home from a trapping expedition last Sunday, called at the Taggart home The aged lady was in the act of rekindling the fire. He asked her to permit him to attend to it, and as he stooped to reach the fire his revolver slipped from his pocket to the floor, and was discharged, the bullet striking Mrs. Taggart's abdomen.

Raymond Lowe, 6 year old son of Mr. and Mrs. L. C. Lowe, of Schoolfield, died in the General Hospital, in Danville from burns sustained on Wednesday at his home. The boy was in the act of kindling a fire he thought was out and was pouring kerosene oil in the grate not knowing of hidden live coals.

New and Beautiful French Salon Millinery

That Forecasts the Modes of Summer

Just as the twittering birds and the bursting of arbutus into blossom herald the coming of Spring, the first notes of the robins and the first sprig of green are our cues to call upon Dame Fashion—the designer of bewitching Easter Bonnets—to assist Mother Nature in dimming the unpleasant reflections of a trying winter by offering for your inspection one of the most unique, distinctive and diversified collections of millinery ever shown in Washington!

This unprecedented showing in our French Salon comprises all the elements of the ages—Egyptian toques in lemon and scarab, Parisienne conceptions with drooping brims of chantilly and lacey braids, fairly scintillating with trimmings of lacquered fruits and flowers—and ribbons, too, in their many and intricate combinations, hold a high place in this irresistible Spring showing. And we must not forget the glistening cellophane, for it also is a favorite with those who like the ultra-modish!

EXAMINE OUR GRADES WHEN CONSIDERING PRICES:

With prices on Lumber and other Building Materials at their present levels, there are many items in the lower grades which can often be substituted satisfactorily and at a considerable saving.

We have become so much impressed with the possibilities of doing this to advantage that we are exercising the greatest care in buying only from those mills who pay the closest attention to the manufacture and grading of their lower priced stocks.

We ask our customers to examine these grades when buying as we believe they will find some excellent values, and a knowledge of what a carefully selected lower grade really is will often prevent the buying of a so-called higher grade at a little under the market price for the high grade, when it is actually a lower grade and can be bought as such.

AVALANCHE KILLS STAR

Many Injured in Accident Overtaking Players in Mountain Scene

Geneva, March 27.—Hermine Koller, a well known German moving picture actress of Dresden was killed and several other actors and actresses were injured Thursday near Innsbruck, in the upper steppes of the Wildgratz Mountain, when an imitation avalanche which was to envelop the group developed into a real avalanche, according to a report received here.

Mountain scenes were being taken by a German film company at an altitude of 9,700 feet. The scene was to depict a party of eleven persons being buried by an avalanche. Just as the picture was about to be taken a large real avalanche came down the countainside and buried the company killing Fraulein Koller and seriously injuring several others.
